

Mentoring for ESD-Leadership 2018

Project: "Different but not differently!": Migration and diversity management in Hamburg

Project Responsible

Bertrand Toumi Njeugue

Target Group

Teachers, pupils and schools in
Hamburg at secondary level

Duration of the project

February 2018 – August 2018

Implementation Status

Activity a) completed

OBJECTIVES

- Contributing to decolonizing teaching and learning (contents, processes, teaching and learning materials)
- Contributing to embedding the fight against racism and discrimination in the daily teaching of single school subjects
- Promoting social inclusion

MAIN ACTIVITIES

- a) Workshop with the teachers
- b) Teachers implementing new insights into their traditional teaching
- c) An activity prepared by the pupils against racism and discrimination
- d) Pupils presenting the results of their project

METHODOLOGICAL APPROACH

- Reflecting on one's own practices and teaching/learning
- Exploring hidden aspects of discrimination and racism
- Undertaking concrete actions within the community

IMPACT

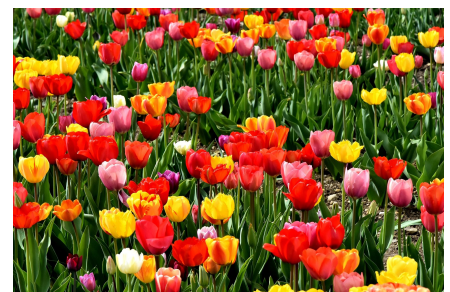

Who & how many people will be reached

- 10 secondary school teachers
 - 215 pupils
 - 8 secondary schools in Hamburg
- > approx. 1000 people

What will change through the project

The attitudes of teachers and students
towards inclusion
